## *Code of Conduct Acknowledgement*

I have received a copy of the Code of Conduct in my student agenda. This plain language summary was reviewed upon registration and I was given the opportunity to ask any appropriate questions at that time.

I understand that a copy of the Code of Conduct is available to me or to my parents at any time by requesting it in the Superintendent's Office. I also understand that my conduct in school, on school grounds and at school-sponsored functions must adhere to the guidelines presented. I am responsible for my behavior and I understand the range of consequences, which may result, if I fail to comply with the guidelines.
